## GRADING SYSTEM

At Lamar County Middle School, we use a weighted grading system in all classes to determine averages. The specific weighted scale is determined within each content and grade and is listed below for all academic classes. Students in grades 6-8 will receive numerical grades (0-100%) on their report cards. The grading scale listed below will be followed:

- A.....90-100
- B.....80-89
- C.....70-79
- F.....69 and below

	Category of Assignment	Weighted %
<b>These 3 categories make up 90% of the students average.</b>	<u><b>Daily Grades</b></u> This percentage consists of homework (graded or checked for completion), journal checks, notebook checks, warm up activities, Tickets out the Door, daily graded assignments, and participation grades.	<b>35%</b>
	<u><b>Quizzes</b></u> This percentage consists of daily and weekly quizzes, and assignments taken for progress monitoring purposes. These quizzes would progress monitor and assess the current standards being taught.	<b>35%</b>
	<u><b>Assessments</b></u> This percentage consists of Unit Tests, Chapter Tests, and Culminating Unit Projects.	<b>20%</b>
<b>This category makes up 10% of the students average.</b>	<u><b>Mid Year Exam &amp; Final Exam</b></u> This percentage consists of the midyear exam at the end of quarter 2 (Dec.) and the final exam at the end of quarter 4 (May).  ***For 9 week classes (connections classes), a final exam will be held at the end of each quarter.	<b>10%</b>
	<b>Total average percentage:</b>	<b>100%</b>
